

## Data sheet – Drilling Rig TL13 geo

Dimension and weight	
Lenght	2600mm
Width	1000...1400mm
Height	1700...2800mm
Weight	2'600kg

Space requirement drilling location	
Working height (room height)	2200mm
Working area width x length	2000mm x 4000mm
Ground pressure	0.5 kg/cm <sup>2</sup>
max. angle of incline	30° longitudinal / 20° cross

Drilling dimensions	
Drilling diameter	100mm / 150mm
Sample diameter	80mm / 125mm
max. Drilling depths	30m
